

**Auburn Art Walk – Letter of Interest**

The Art Walk Committee is pleased to hear from artists who wish to be a part of the Auburn Art Walk. Artists wishing to participate should submit a letter of interest. The Art Walk Committee and some of the venues themselves select artists for each Art Walk. Displaying artists and venues must be current members of PlacerArts. *We highly recommend that all Art Walk artists create a profile on our online Artist Registry at placerarts.org. All PlacerArts PR directs readers to the Artist Registry for more information about participating artists.*

**Please print this form, fill it out, and mail it to the address above or fax it to the Fax number above.**

There is an Art Walk Orientation held early each spring, for interested Venues and Artists. Please contact the PlacerArts office for details about the next orientation.
