

Auburn Art Walk – Letter of Interest

The Art Walk Committee is pleased to hear from artists who wish to be a part of the Auburn Art Walk. Artists wishing to participate should submit a letter of interest. The Art Walk Committee and some of the venues themselves select artists for each Art Walk. Displaying artists and venues must be current members of the Arts Council of Placer County.

There is an Art Walk Orientation held early each spring, for interested Venues and Artists. Please contact the Placer Arts office for details about the next orientation.
