### Women's Wisdom Project and Albie Aware Breast Cancer Foundation Host ART BRA Show II

Albie Aware Breast Cancer Foundation and Women's Wisdom Project, a program of Sacramento Food Bank & Family Services, are hosting the ART BRA Show II. This is their second year hosting the art show to bring awareness to the plight of Breast Cancer in Sacramento and its effects on all women. Please join them for a tribute art show to help bring awareness and raise funds for these two causes. The Women's Wisdom Project and the ALBIE Aware Breast Cancer Foundation invite you to browse through the remaining art pieces from our last years show and make a bid by contacting Helen at the number or address below. The event began June of 2008 and opened with over 160 pieces of art. All were contributed by northern California artists. We invite all visual artists to participate and create a special piece of art to be displayed for this special event that will open in September of 2009. Using the "BRA" as a symbol, artists may sculpt, paint, stitch and embellish. For
